Pimms and Dinner at the Hurlingham Club

The Hurlingham Club is at its best in June with the gorgeous Gardens in full bloom and the dining room open to the lawns outside. We are offering an evening starting at 7pm when you will be invited to enjoy a glass of pimms or other cocktail in the rose garden in exchange for your views on a few tours to be considered for 2017.

Following this we will have dinner in the main dining room. Based on two courses, wine and coffee, tea or liquor the cost of the dinner is £40.

Since there is a limit of 10 guests that any member can invite, if you are interested, please book as early as possible.

Payment must be made in advance preferably by bank transfer.
