1st floor, 55 Exhibition Road, London SW7 2PN

The Power and Greatness of Rome: Fact or Fiction?

Lecture by Adrian Mourby

Adrian Mourby, journalist, travel writer and much more, has spent time in Rome researching the influences that led Rome to become the centre of the Roman Empire. It is a fascinating history dominated by the huge temple of Jupiter built on the Capitol Hill which might have been sending a message.....Adrian will tell us its content!

Cost: £15 Members & Friends / £20 Others

Temple of Jupiter
